Re: "Thank You"

Dear Mr. Heintz:

Thank you for making me a "Believer!"

Perhaps no client (or for that matter "potential client") you will ever encounter – with the idea of website creation – will be as suspect of such an idea or such a concept, as I was initially.

Wow! It feels great to be a part of the 21st Century. However, it is an even greater feeling to be on the receiving-end of the overwhelming compliments that this firm (i.e., the staff, the attorneys, etc.) have received regarding the website.

You asked only for my "confidence" in you and your staff ... and you clearly, delivered. Please know that we are forever grateful; but most importantly, we are forever clients. We remain,

Sincerely,

IRVIN LAW FIRM, L.L.C.
