To Whom It May Concern:

It is a pleasure to write this letter of recommendation for DalmoWorks. As a Church with parishioners comprised of year-round and seasonal residents, as well as other visitors, it is very important that our website is easily accessible, kept current, and can be navigated by those with little or no computer training. DalmoWorks has made this possible.

We have worked with the company for the past year in the design, layout, and execution of our website. The DalmoWorks team has listened to our ideas and has been responsive to our needs. They have been easy to work with and have been very patient, efficient, and helpful. They continue to be easy to reach and put our updates up very promptly.

We look forward to a continued partnership with this professional and responsive support team.

Very truly yours,

Ralph Boland  
Parish Manager
